Notification

The Department of Treasury and Accounts, MoF has been piloting the implementation of Financial Documentation (FinDoc) for the Cluster Finance Services since November 2023. The FinDoc services are being introduced for digitization of financial documentations for processing financial transactions between budgetary agencies and the cluster finance services. The piloting phase was conducted at the Paro Cluster Finance Offices and feedback and recommendations incorporated for nationwide roll out in all the cluster finance services.

In order to facilitate the ease of doing financial transactions and ensure efficient public service delivery, the Ministry of Finance hereby notifies the public that the FinDoc shall be rolled out to all the Cluster Finance Services and the corresponding Budgetary Bodies. The FinDoc system can be accessed from the link <https://epems.myrbpems.bt/FinDoc/Account/Login>

The user manual for the FinDoc for all types of users is also available and is attached herewith.
